ROBERT OF PHILADELPHIA

Permanent Jewelry

- Your chain is **14k gold-filled** — wear it in the shower, at the beach, every day.
- Pat dry after swimming; avoid sunscreen & lotion buildup — rinse and pat when needed.
- Gently clean with a soft cloth; no harsh chemicals or polishing dips.
- Snag it on something? Don't pull — come see us.

OUR PROMISE

Complimentary re-weld if the jump ring fails within **72 hours** of welding.
After that, we'll happily **re-weld any break for $15** — a fraction of a new chain.
A snap elsewhere on the chain is from wear, not the weld — we'll still fix it for $15.
Lost or damaged chains aren't covered.
Bring it in anytime — we take care of our own.
