The ROP Platinum Membership

Village · Bayfront · Promenade

A thank-you to the guests who make this place what it is — your prices protected, and a gift in your hands every single month.

~~$59 / month~~

FOUNDING PLATINUM — UNTIL OCTOBER 15 ONLY

$39 / month

*...and it stays **$39 — with every benefit — for as long as you remain a member.***

EVERY MONTH, OUR GIFTS TO YOU

✦ **The Signature ROP Blowout**

A head, neck & shoulder massage at the shampoo bowl, then the expert blow-dry & style we're known for. Yours — or gift it to anyone you love.

✧ **A LUX indulgence**

Pure pampering with your visit — a luxury wash & massage, a full steam ritual at the shampoo bowl, a warm paraffin hand treatment, or the wash & massage with hair masque. Up to $30, on us.

✦ **Platinum perks, all year long**

New gifts and privileges roll out to Platinum Members through the year — birthday surprises, special-event invitations, early access to new products, concierge touches.

And always: **10% off every service** — your price protection, for as long as your membership is active.

This price is only available until October 15, 2026.
After that, the membership is **$59/month** — and the $39 founding price will not be offered again. Join now and you become a **Founding Platinum Member** — $39 and every monthly gift, yours for as long as you stay.

Joining takes one minute at the front desk — ask us on your next visit, or call your salon.

Monthly gifts refresh each billing cycle and don't roll over; the blowout may be gifted to anyone. Platinum perks are announced as they release and carry no cash value. Member rate applies to services and doesn't combine with other offers. No contract — cancel anytime; rejoining later is at the then-current rate. The founding membership does not pause. Long, thick, or extra-long hair may require additional time, and an additional charge may apply — just as on our service menu. · v22.1 — August 13, 2026 · Page 1 of 1
